

MEMORANDUM

TO: CITY COUNCIL

FROM: DEBBIE MALICOAT, DIRECTOR OF ADMINISTRATIVE SERVICES 

SUBJECT: CONSIDERATION OF CONFIRMATION OF ASSESSMENTS FOR TRACTS 1769, 2310, AND 2236

DATE: JUNE 9, 2015

RECOMMENDATION:

It is recommended the City Council:

- Adopt a Resolution confirming landscaping and lighting assessments for all parcels within Tract 1769;
- Adopt a Resolution confirming the assessments for the Parkside Assessment District for all parcels within Tract 2310 (Parkside Village Subdivision);
- Adopt a Resolution confirming the assessments for the Grace Lane Assessment District for all parcels within Tract 2236 (Grace Lane Subdivision).

IMPACT ON FINANCIAL AND PERSONNEL RESOURCES:

The City created three assessment districts to provide landscaping and other specified maintenance. The assessments are placed on the affected property owner's tax roll each year. The total amount of revenue to be received from the assessment districts in Fiscal Year 2015-16 is \$55,450.

The staff time for the administration of the assessments is minimal and will be reimbursed annually through the City's Cost Allocation plan.

BACKGROUND:

On June 9, 1992, Landscaping and Lighting Assessment District No. 1 was created to provide landscaping and lighting improvements and maintenance for Tract 1769. The annual assessment was \$100 per parcel located within Tract 1769 (a total of \$3,000). The Tract 1769 landscaping and lighting assessment must be confirmed by the Council each year.

On November 8, 2005, at the request of Parkside Village LLC, the sole owner and developer of the Parkside Village Subdivision (Tract 2310), the City Council approved the formation of the Parkside Village Assessment District. At the June 26, 2012 meeting, Council approved a Supplement to the Engineer's Report to reduce the assessment for the Parkside Village Assessment District. The assessment is adjusted

annually by the April Consumer Price Index (CPI), which was 0.5% in 2015. The annual assessments vary from \$426 to \$702 per parcel for a total of \$42,042 annually.

On November 28, 2006, at the request of Vista Roble LLC, the sole owner of the Grace Lane Subdivision (Tract 2236), the City Council approved the formation of the Grace Lane Assessment District. This assessment is also adjusted annually by the April CPI or 0.5% in 2015. The annual assessment ranges from \$512 to \$682 per parcel for a total annual assessment of \$10,408.

ANALYSIS OF ISSUES:

All of the above referenced assessments must be confirmed each year. The assessments will be added to the tax roll of the affected property owners and collected by the San Luis Obispo County Tax Collector.

ALTERNATIVES:

The following alternatives are presented for the City Council's consideration:

- Approve staff recommendations;
- Do not approve staff recommendations;
- Modify staff recommendations and approve;
- Provide direction to staff.

ADVANTAGES:

By confirming the assessments, the City will continue to receive the funding to maintain the landscape districts.

DISADVANTAGES:

There is no disadvantage identified in this recommendation.

ENVIRONMENTAL REVIEW:

No environmental review is required for this item.

PUBLIC NOTIFICATION AND COMMENTS:

The Agenda was posted in front of City Hall on Thursday, June 4, 2015. The Agenda and report were posted on the City's website on Friday, June 5, 2015. No public comments were received.
