

Mayor's Commendation
Presented to
City of Arroyo Grande
Public Works Department

The City of Arroyo Grande recognizes the Public Works Department as "Water Conservation Champions" for reducing irrigation water use in City parks and landscape areas by more than 46%, for a savings of 8.2 million gallons, primarily due to the removal of approximately 51,300 square feet of turf from various City parks and landscaped areas.

Dated this 27th day of October 2015

Jim Hill, Mayor
