ISSUE DATE: MAY 3, 2010

WEED ABATEMENT DEADLINE

As a reminder to property owners within the city limits of Arroyo Grande, you have until Sunday, May 16, 2010, to comply with the City's weed abatement guidelines. The City of Arroyo Grande Neighborhood Services Division will be checking properties throughout the City beginning Monday, May 17, 2010. **All non-compliant parcels will be cut and cleared by a contractor. If, for any reason the Neighborhood Services Division has to hire a contractor, the owner will pay all costs involved; the contractor's fee plus an administrative fee.**

Due to the rain and wind this season vegetation will dry out quickly and become combustible unless cut. In addition to weeds, residents are also required to remove other combustible debris such as junk wood, dead trees, piles of tree limbs, and dead brush.

If you have any questions regarding weed abatement requirements, please call the Neighborhood Services Coordinator at 473-5437.

MICHAEL E. HUBERT
DIRECTOR OF BUILDING AND FIRE
