Subject: Cal Care Pharmacy/AG drive thru access: Agenda item 6a
Date: Monday, May 18, 2020 3:07:17 PM

Good Afternoon City of Arroyo Grande City Councilmembers:

My aunt and uncle reside in Arroyo Grande on Victorian Ct. They are in their seventies and my uncle has several medical needs. I have been made aware of a recent request by Cal Care Pharmacy located at 1009 E. Grand Avenue, Arroyo Grande to operate a drive thru pick up opportunity at their location. This access at Alder Street entering the Fair Oaks theatre dirt lot has access and ease for the community to pull up and easily enter adjacent to the pick up window. This access and traffic flow would make a better pick up situation than the current drive up and park situation. That one space is hard to maneuver and requires a tricky pull and park situation. The beauty of the drive thru window that is being petitioned for provides better ease, entrance and exit.

Thank you for this consideration in changing the way this pharmacy does business and to be of better service to our communities vulnerable population like my aunt and uncle.

The organizational chart of the City of Arroyo Grande shows the Citizens of Arroyo Grande over the City Council. Governor Gavin Newsom is not on the organizational chart. Please be brave and open the city. Follow the City of Atwater and declare the city a Sanctuary City for small business. Local businesses and online schooled children are suffering. An article published by KSBY May 17, 2020 said San Luis Obispo County officials are encouraging parents and families to be wary of commercial sexual exploitation of children as children are spending more time out of the classroom and on the internet during the Covid-19 pandemic. Gavin Newsom has not given our County an opening date, only "weeks not months." What does that mean? He is not on the organizational chart. Thanks for your service.

AG City Council:

We've been made aware that the city of AG may considered an alternate drive thru access to Cal Care Pharmacy. As seniors an easier access, especially during the current Covid-19 situation, would be most welcome. The current drive-up window is a difficult approach. Please give this request a fair evaluation.
