

MEMORANDUM

TO: PLANNING COMMISSION

FROM: TERESA MCCLISH, DIRECTOR OF COMMUNITY DEVELOPMENT

BY: MATTHEW DOWNING, PLANNING MANAGER

SUBJECT: CONSIDERATION OF TIME EXTENSION 19-001 AND 19-002; ONE YEAR TIME EXTENSIONS IN ACCORDANCE WITH THE SUBDIVISION MAP ACT AND ARROYO GRANDE MUNICIPAL CODE; LOCATION – PEARWOOD AVENUE (TRACT 3017 AND TENTATIVE PARCEL MAP 09-003); APPLICANT – CITY OF ARROYO GRANDE

DATE: MARCH 5, 2019

SUMMARY OF ACTION:

Approval of the time extensions will provide an additional year for the maps to be finalized and the subdivisions to occur.

IMPACT TO FINANCIAL AND PERSONNEL RESOURCES:

None.

RECOMMENDATION:

It is recommended that the Planning Commission:

1. Adopt a Resolution approving a time extension for Tract 3017; and
2. Adopt a Resolution approving a time extension for Tentative Parcel Map 09-003.

BACKGROUND:

On June 1, 2009, the Planning Commission adopted Resolution No. 10-2104, approving Vesting Tentative Tract Map No. 09-007 and Planned Unit Development No. 09-002. The Planning Commission also adopted Resolution No. 10-2105, approving Tentative Parcel Map No. 09-003. The two projects consist of the subdivision of 7.16 acres of former Redevelopment Agency property into four (4) residential lots and one (1) open space lot and the subdivision of 0.87 acres into two (2) residential parcels. The two projects were processed and approved concurrently for access purposes. The original approvals were set to expire on June 1, 2011; however, as a result of State Law during the Great Recession, the expiration of the maps was extended until June 1, 2016.

MARCH 5, 2019
PAGE 2**

In 2018, the Planning Commission approved the second time extensions for the subdivisions. As a buyer for Tract 3017 is still being sought, a time extension was again applied for by the City. Continued purchase interest has revived the need to take formal action on the Time Extension by the Planning Commission. In accordance with Subsection 66452.6(e) of the Subdivision Map Act, the application was automatically extended for sixty (60) days upon receipt of application by the applicant to extend the map. The map will remain active until the Planning Commission takes action on the time extension.

ANALYSIS OF ISSUES:

Municipal Code Subsection 16.12.140.C allows the Planning Commission to grant a project up to three (3) one-year time extensions, only if it is found that there have been no significant changes in the General Plan, Municipal Code or character of the area within which the project is located that would cause the approved project to be injurious to the public health, safety or welfare. No such changes have been identified in these areas that would cause the proposed projects to be injurious to the public health, safety, or welfare. Additionally, the City has been working toward the sale of the Pearwood Tract for the purchaser to final the map for the project.

If approved, the one-year time extension would extend the expiration date of the project to March 21, 2020. This would be the final time extension available, in accordance with the provisions of the Municipal Code and the Subdivision Map Act.

ALTERNATIVES:

The following alternatives are provided for the Council's consideration:

1. Adopt the attached Resolutions approving time extensions for Tract 3017 and Tentative Parcel Map 09-003;
2. Modify and adopt the attached Resolutions approving time extensions for Tract 3017 and Tentative Parcel Map 09-003;
3. Do not adopt the attached Resolutions, provide specific findings and direct staff to return with Resolutions denying the time extensions; or
4. Provide direction to staff.

ADVANTAGES:

Approving the requested time extensions will maintain the viability of approved projects, will allow the Successor Agency to sell an entitled subdivision, and will continue cooperative efforts with the neighboring property owner for mutually beneficial land profitability, consistent with the Subdivision Map Act.

DISADVANTAGES:

No disadvantages associated with approval of the requested time extensions have been identified.

ENVIRONMENTAL REVIEW:

In accordance with the California Environmental Quality Act (CEQA) and the State CEQA Guidelines, it has been determined that the granting of time extensions is not subject to CEQA per Section 15061(b)(3) of the Guidelines, regarding the common sense exemption that where it can be seen with certainty that there is no possibility of a significant effect on the environment, an activity is not subject to CEQA.

PUBLIC NOTICE AND COMMENT:

Per Municipal Code Table 16.12.030-B, a public hearing is not required for approval of time extensions. The Agenda was posted at City Hall and on the City's website in accordance with Government Code Section 54954.2.
