

Mayor's Commendation
Presented to the
2019 Harvest Festival
Committee

In recognition of the extensive number of volunteer hours spent by all members of the committee to plan, organize, and facilitate the 2019 Arroyo Grande Harvest Festival. The Harvest Festival has been a beloved local tradition for over 80 years in the City and would not be possible without its dedicated committee volunteers. The committee's time and dedication to the community is admirable.

Thank you!

Dated this 22nd day of October 2019

Caren Ray Russom, Mayor
