ARROYO GRANDE TO HOLD “PICKLEBALL” DEMONSTRATION

ARROYO GRANDE, CALIFORNIA - The City of Arroyo Grande Recreation Services Department will be holding a “Pickleball” demonstration on Saturday, May 3rd from 10:30 a.m. – 12:00 p.m. at the Theis/Keisler Tennis Courts located at 1221 Ash Street in Arroyo Grande.

Pickleball is being called the fastest growing sport you’ve never heard of. Over the past five years in Arizona, five times as many Pickleball courts have been built as tennis courts. Played with a composite -graphite paddle and a baseball sized wiffle ball, the game is similar to tennis, but played on a smaller court (it is not paddle tennis). Described as a game that is extremely fun, very social, addicting and a great workout, Pickleball is particularly appealing to the over-50 crowd who still want to stay active but don’t want the wear and tear that comes with playing on a larger court.

The Pickleball demonstration is free to the public, and there will be an opportunity to get on the court and try it out. For more information contact the Arroyo Grande Recreation Services office at 473-5474.
